INT. GIRLS BATHROOM - MID SCHOOL DAY

NOVAH (15) is laying on her back on the floor under OAKLEY (15) her legs wide.

NOVAH  
Bitch if you move one more time, I  
**will** cut yer vagina.

Novah has scissors, cutting something under Oakley's uniform skirt.

OAKLEY  
Just hurry up I have to fucking go to  
class

NOVAH  
If you let me do this last night then  
you wouldn't be sporting the worlds  
largest camel toe right now

OAKLEY  
OW! If I had let you do this last  
night I wouldn't have a vagina.  
(Snags scissors) Give me those.

Oakley reaches under her skirt, and cuts each side once and slips out a pair of shorts.

OAKLEY  
That's so much better.

Oakley lifts up her skirt and flashes a pair of red panties.

OAKLEY  
WHOOO!

Novah, follows and lifts up her skirt as the girls laugh and shake their asses.

NOVAH  
Whoo! Yes bitch.

BOTH  
(Dancing and Laughing)  
My Neck, My back, my pussy and my  
crack!

A few other school girls enter the bathroom and are shocked by whats happening. Oakley and Novah lock eyes, burst out laughing, and sprint out of the bathroom. They walk down an empty hall.

NOVAH

Come to mine after school we can get ready for HAILEY'S party together.

OAKLEY

I don't have any of my shit, I needa go home first and grab my clothes and my makeup.

NOVAH

Okay just ask the guys to scoop you and we can pre at mine.

OAKLEY

I'll try and convince Jaxon.

NOVAH

Later hoe.

Novah motorboats Oakley as a handshake. Oakley and Novah enter their respective classrooms, that happen to be beside each other.

INT. CLASSROOM - MID DAY

Enter Oakley into a classroom, she flips off a group of guys on the other side of the classroom. JAXON (16), CALEB (15), and WYATT(15) sit huddled together, clearly not listening to what the teacher is saying. Except, Caleb, he somehow manages to chime in and take notes simultaneously. Jaxon eats candy out of his pencil case.

WYATT

Oh look its your bitch, don't start blushing now Mr. Barnes

JAXON

Shut the fuck up bro, you tryna walk to the party? I don't have to drive you.

CALEB

**You** don't have to scoop him? Since when can you drive stick? Daddy finally let you take his car (teasing Jaxon)

WYATT

Nice one bro (fake teasing him back, raises his arm to high five Caleb then quickly lowers it)

Caleb goes to high five Wyatt back, oblivious to the sarcasm, his arm raised high, catches the attention of the teacher. His smile fades.

TEACHER

Caleb! Come on up to the board and show your work.

Caleb glares at his friends as he gets dragged away. Oakley sees this and slides out of her seat under her desk and starts crawling across the classroom floor. A girl she passes smacks her ass and Oakley chuckles and wiggles on.

JAXON

We still need booze man, I cant make it through this party without fucking alc.

WYATT

Why bro? Cause of Hailey? Or cause of-

JAXON

I dunno man just...

In comes Oakley, she pops up in Calebs seat beside them.

OAKLEY

What're you ladies gossiping about?

As she says this Wyatt elbows her for that 'ladies' comment. Wyatt and Jaxon share a look. Did she hear that?

JAXON

We need alc for Hailey's party, you got any connects?

OAKLEY

I might.

JAXON

What do you want?

OAKLEY

Drive me home after school.

JAXON

What's in it for me?

OAKLEY

I just said. I'd get you booze. And I'm saying please.

She smiles and bats her eyelashes.

JAXON  
Fine. I'll drive you.

TEACHER  
Oakley, why are you not in your seat?

WYATT  
Yeah Oakley why are you not in your seat?

OAKLEY  
(mouths to Wyatt)  
Shut the fuck up.

She gets up to go back to her seat, but before she does. She reaches into Jaxon's pencil case and grabs a handful of gummies.

OAKLEY (cont'd)  
(whispers, lips to his ear)  
Like taking candy from a baby.

Jaxon immediately grabs a gummy and pelts her in the back with it as she goes. They grin at each other.

INT. A DIFFERENT CLASS ROOM - END OF DAY

Novah is in the back of the class scrolling on her phone, chunky black boots lay crossed on the desk. She listens in on a convo happening beside her.

GIRL  
..and I heard the entire lacrosse team is gonna be there, even Jaxon Barnes.

GIRL 2  
I heard Hailey's parents are spies from Russia and that's why they're almost never home.

GIRL  
Shut up, you did not hear that.

GIRL 2  
That's what I heard! They give her a credit card with loads of money and a maid who drives her around so she doesn't question what they do.

GIRL  
That can't be true.

NOVAH  
You know, I heard they have a secret lab in their basement that they use to run experiments on gullible high school nerds.

GIRL 2  
Really!?

Girl 2's eyes widen as the corner of Novah's mouth twitches.

NOVAH  
..and after their done with them they kill them and cook them into human stew and feed it to the homeless shelter.

GIRL  
(to girl 2)  
Don't listen to her she's fucking with you.

NOVAH  
Maybe I am, Maybe I'm not.

She gives them a creepy look. Then, the bell rings. The entire class goes to leave.

GIRL  
C'mon, let's get outta here.

Novah chomps her teeth at them as they shuffle away in a rush. Novah laughs to herself and gets up to leave.

TEACHER 2  
Miss. Wallace, can I see you for a minute?

NOVAH  
Yeah... what's up?

She walks over and sits on the edge of the teacher's desk and licks her lips. Teacher 2 hands Novah a long sheet.

TEACHER 2  
*What's up, is you've gotta start paying more attention in my class, you aren't passing anymore with a 41.*

NOVAH

But, I handed in that makeup assignment last week...

TEACHER 2

Yeah I'm sorry Novah, you're still doing C level work. Look, there are 3 essays left that are worth 50% of the grade. If you can get at least a B on all of them then we won't have to see each other again next year.

NOVAH

I dunno, maybe that wouldn't be so bad.

She winks at the teacher, she's flirting.

TEACHER 2

Just get a tutor.

NOVAH

Okay fine. I'll figure something out. Thanks Karen.

Novah leaves the classroom, as she goes Teacher 2 leans out the door and yells after her.

TEACHER 2

You can't call me that!

She shakes her head and almost grins, but she doesn't. She watches Novah go, curious.

INT. HALLWAY

Oakley carries a stack of books and walks alone down a hallway. She gets a text so she stops for a few moments before a corner, people pass and doors close, it's silent. She overhears two people whispering right beside her.

PERSON UNKNOWN 1 (A MAN)

I told you where the key was for a reason, but when you keep scoring 100's it makes me kinda regret this thing.

Oakley's eyes lift from her phone and she glances at the corner of the wall. A bright red shirt and a female's elbow stick out, maybe even some dark hair.

PERSON UNKNOWN 2 (A GIRL)

Okay, I'm sorry I just wanted to slide some 100's in there you know.

PERSON UNKNOWN 1

I know hun, but we can't get caught. Take it down a notch, until we have a better system okay?

PERSON UNKNOWN 2

Okay. Bye babe.

PERSON UNKNOWN 1

Bye babe.

Oakley with a furrowed brow pokes her nose forwards to peer around the corner and-

ANA

Hey Oakley!

Oakley jumps. ANA, a short perky blonde, bounces on her tip toes in front of Oakley.

OAKLEY

Ana, hey, Jesus Christ you gave me a heart attack.

ANA

Haha, sorry didn't mean to startle ya.

Ana touches Oakley's wrist playfully. Oakley looks over her shoulder, antsy.

OAKLEY

Whats up?

ANA

Well, it's Robins birthday tonight. We're gonna have popcorn, a keg, board games. We invited some of the guys and you're invited, of course.

She hands Oakley a pink envelope.

OAKLEY

Oh cool, thanks.

ANA

I really hope you can make it. See ya.

She tosses a friendly smile and skips off.

Oakley doesn't notice the flirting Ana was trying to initiate so badly.

Oakley finally turns the corner, but the hall's empty.

EXT. OUTSIDE SCHOOL

Wyatt and Caleb wrestle over a football. Jaxon, smokes a cigarette a few feet away. Wyatt spins his heels on a skateboard. Jaxon repeatedly looks over to tell the guys to quit it.

A group of girls emerge from the school, a nervous ROBIN, approaches Wyatt.

ROBIN, a mousy brunette with long braids, accompanied by Ana and their group of friends exit the school doors holding pink envelopes. The girls give Robin a shove towards Wyatt, she trips and he catches her by the shoulders.

WYATT

(southern accent)

WHOA there cowgirl, wouldn't wanna scratch those snake skins.

He tips an imaginary hat. Robin chuckles behind her hands. Oakley exits the school door, eyes glued on Wyatt before walking up to Jaxon.

ROBIN

Hey Wyatt. Are you uh busy tonight? I was wondering if you could swing by my birthday party..

WYATT

I.. uh..

Wyatt glances at his group over his shoulder. Jaxon hands Oakley a cigarette and teases her with the lighter, waving it away every time she goes in to suck in. They nudge each other and laugh.

ROBIN

Because well.. um..

Behind Wyatt, Ana gestures her to hand him the invite.

(MORE)

ROBIN (cont'd)  
Here's an invite.. It starts at 5 if  
you wanna come, there'll be a keg and  
people.. my mom put out board games..

Robin's friends quickly jump in and drag her away by her  
elbow.

see you then!

Wyatt watches her go, then looks down at the invite. Caleb  
approaches his shoulder.

CALEB  
What's that all about? You hang with  
Robin and the horse girls now?

WYATT  
Nothing bro, don't worry about it.

NOVAH bursts through the school doors. OAKLEY jumps up to  
meet her, and hands her her cigarette. They begin to walk  
off.

OAKLEY  
Hey bitch, where've you been?

NOVAH  
(Takes a drag)  
Nowhere, stupid Karen wanted to talk  
with me.

WYATT  
Oh I'm sure you guys did a lot of  
talking...

The guys laugh and nudge each other. Oakley rolls her eyes.

NOVAH  
Shut up, Buzz (Wyatt's Nickname), I  
could pull more girls than you ever  
could.

OAKLEY  
Yeah, exactly where's ROBIN, Wyatt?

WYATT  
Oh, cool it. Both of you.

Oakley balances on a brick wall towering over the group.  
Jaxon fakes grabbing her leg.

JAXON  
Don't fall!

She loses her balance and falls off the wall into him. He catches her and plops her down beside him. She punches him in the shoulder and he tickles her waist. She screams and the chase each other off ahead of the group.

EXT. OAKLEY'S HOUSE

The squad drive down a nice street in Caleb's pick up truck, they stop just before a giant white house with a long walkway. It has perfectly trimmed grass that a few gardeners on the lawn are tending to.

Jaxon sits in the passenger seat with OAKLEY in between his legs on the floor. Wyatt and Novah sit in the truck bed. Oakley climbs out of the window and Jaxon tosses her her bag.

OAKLEY  
I'll be like 10 minutes tops, wait  
for mee (sing songy)

Jaxon snickers and turns to Caleb, handing him a \$1 bill.

JAXON  
25?

Caleb shakes his hand, adding another dollar to it.

CALEB  
15.

Wyatt slides open the window from the truck bed and pushes her arm through with another dollar.

WYATT  
Naw, it's definitely 30.

OAKLEY  
I hate you guys. You know, it takes  
time to look this hot.

She flashes her nude bra as she passes the headlights. Novah standing in the truck bed whistles at her. Oakley does a little stripper dance and they all cheer and bang the doors of the truck. Jaxon leans over and honks the horn at her and she screams abruptly and laughs.

CALEB  
(Out the window to  
Oakley)  
K then were going to Clifford's real  
quick.
